

Officina Meccanica Rivoltana Srl

Sabbatura, verniciatura, rivestimenti e riporti di metallizzazione - Blast-cleaning, painting, coatings, linings and thermal spray

RIVESTIMENTI - COATINGS

Type	Description	Workable sizes	Samples
Preparazioni superficiali Surface Preparations	<ul style="list-style-type: none"> Sabbature industriali con impianti automatici a turbina Sabbature industriali con impianti manuali a getto libero Fosfosgrassaggio Industrial blastings by automatic wheel plants Industrial blastings by air-compressed manual machine Phospo-degreasing 	<p>Interno e/o esterno Max 5000x5000x20000 mm. peso unitario max 50000 kg.</p> <p>Outside and/or inside Max 5000x5000x20000 mm. max. weight each piece 50000 kg.</p>	
Verniciature liquide Liquid Paintings	<ul style="list-style-type: none"> Prodotti monocomponenti o pluri-componenti Prodotti essicanti in aria o a forno Prodotti a base solvente Prodotti a base acqua One or more components Air-dried or oven dried products Base solvent paints Base water paints 	<p>Interno e/o esterno Max 5000x5000x20000 mm. peso unitario max 50000 kg.</p> <p>Outside and/or inside Max 5000x5000x20000 mm. max. weight each piece 50000 kg.</p>	
Verniciature a polveri Powder Paintings	<ul style="list-style-type: none"> Epossidiche Epossipoliestere Poliesteri Epoxy Epoxy-polyester Polyester 	<p>Interno e/o esterno Max 4000x4000x14000 mm. peso unitario max 30000 kg.</p> <p>Outside and/or inside Max 4000x4000x14000 mm. max. weight each piece 30000 kg..</p>	
Anticorrosivi Anticorrosion	<ul style="list-style-type: none"> Anticorrosivi tradizionali Epossidici senza solventi Poliuretanic senza solventi Approvati per il contatto con acqua potabile Traditional anticorrosive Solvent-less Epoxy Solvent-less Urethane Acid-proof Approved for food and for mineral water contact 	<p>Interno e/o esterno Max 5000x5000x20000 mm. peso unitario max 50000 kg.</p> <p>Outside and/or inside Max 5000x5000x20000 mm. max. weight each piece 50000 kg.</p>	
Rivestimenti speciali Special coatings	<ul style="list-style-type: none"> Fusion Bonded Epoxy Resine termoplastiche Fusion Bonded Epoxy Thermoplastic resins 	<p>Interno e/o esterno Max 4000x4000x14000 mm. peso unitario max 30000 kg.</p> <p>Outside and/or inside Max 4000x4000x14000 mm. max. weight each piece 30000 kg.</p>	
Metallizzazione Thermal-spray	<ul style="list-style-type: none"> Metallizzazione ad arco elettrico (Qualificati Metallisation Ltd) Thermal Spray by arc spray system (Qualified Metallisation Ltd) 	<p>Interno e/o esterno Max 5000x5000x20000 mm. peso unitario max 50000 kg.</p> <p>Outside and/or inside Max 5000x5000x20000 mm. max. weight each piece 50000 kg.</p>	
Ceramici Ceramics	<ul style="list-style-type: none"> Interno aste di perforazione Ricostruzione zone gravemente corrose Antiusura, antiacidi Internal drill-pipe Re-building very corroded zones Wear and acid resistant 	<p>Interno e/o esterno Max 5000x5000x20000 mm. peso unitario max 50000 kg.</p> <p>Outside and/or inside Max 5000x5000x20000 mm. max. weight each piece 50000 kg.</p>
